

Room 101 Families,

I hope that everyone is well and that you are all safe and healthy. We are living through very challenging times and it is important that everyone focuses on doing what they are able while staying mentally, emotionally, and physically healthy.

### Third Quarter Report Cards

- They will be mailed to your home address on file
- Scores are based on Second Quarter Report Cards and the few weeks of third quarter
- No scores will be negatively impacted
- Fourth Quarter starts Monday and scoring/report cards for fourth quarter are currently TBD.

### Report Card Conferences Third Quarter

- Wednesday, April 22
- Send me an email ([rmaltz@cps.edu](mailto:rmaltz@cps.edu)) or dojo message if you would like to meet, then we will figure out a format and time.

### CPS Student Emails

- I posted on my website and dojo how to set up your child's email
- I sent everyone their child's school ID Number through a private dojo message as that is needed to set up the student email

### Google Classroom

- I have set up a Google Classroom
- Weekly assignments will be posted on my website and Google Classroom
- I will be asking for evidence (picture or upload to Google Classroom) that some activities were completed, more information on that next week
- I sent everyone the code to join my Google Classroom in a dojo message (I prefer to not post the code publicly, so contact me if you need it)
- Students need their CPS email to join my Google Classroom, see above
- The current plan is to have live Meets in Google Classroom on Mondays and Wednesdays starting next week.
- The time is TBD as nearly all students in the class have siblings at Ray or a CPS school, so I know there is not a time that will work for all
  - I will try to do different times each week to accommodate as many as possible

Ms. Maltz
